

Journey
shape new vibes of joy

Journey è viaggio alla scoperta di luce, colore e creatività. Superfici variopinte dal finish lucido e opaco aprono le porte a infinite combinazioni e possibilità di utilizzo.

Giochi di luci e ombre si combinano alla forza del colore elevando lo spazio a luogo di scoperta e meraviglia.

Journey is a voyage of discovery through light, colour, and creativity. Colourful surfaces with a glossy and matt finish open the door to endless pairings and possibilities for use. Contrasting light and shadow teamed with strong colours take designs to a new dimension, to a place of discovery and wonder.
