La forza autentica della pietra. Dolomia nasce dall'incontro tra natura e architettura, reinterpretando la suggestione delle Dolomiti, patrimonio mondiale unico e inimitabile. La collezione racchiude il fascino eterno della pietra naturale e lo traduce in gres porcellanato dalle superfici materiche e sofisticate, capaci di evocare emozione e autenticità. Quattro tonalità - Ivory, Beige, Grey e Taupe - raccontano la ricchezza cromatica della roccia e si trasformano in soluzioni versatili e attuali. I formati 60x120, 90x90, 60x60 e 30x60, insieme alle versioni grip R11, garantiscono continuità estetica tra interno ed esterno, fondendo bellezza e funzionalità. Un tributo all'autenticità e all'eleganza, Dolomia evoca la forza della natura abbracciando la creatività dell'architettura contemporanea

The authentic strength of stone. Dolomia is born from the encounter between nature and architecture, reinterpreting the allure of the Dolomites, a unique and inimitable World Heritage site. The collection encapsulates the timeless charm of natural stone, transforming it into porcelain stoneware with textured, sophisticated surfaces capable of evoking emotion and authenticity. Four shades - Ivory, Beige, Grey, and Taupe - reflect the chromatic richness of the rock, offering versatile and contemporary design solutions. Formats 60x120, 90x90, 60x60, and 30x60, together with R11 grip finishes, ensure aesthetic continuity between indoor and outdoor spaces, blending beauty with functionality. A tribute to authenticity and elegance, this collection evokes the power of nature while embracing the creativity of contemporary architecture.
