MARAZZI

Lume

Celebrating the craftsmanship of majolica, Crogiolo Lume transforms porcelain stoneware into a glossy and vibrant material where color takes center stage. Alongside the iconic 6x24 cm format, the 10x10 cm size and the 3D Dew structure, featuring floral reliefs and dynamic reflections, enrich the range. The existing shades are available in both formats, with glossy surfaces, straight edges, and deep chromatic intensity. Ideal for harmonious combinations or bold contrasts, in residential and contract spaces.
