*Essenziale, autentica, concreta.  
Velaris nasce dall'incontro tra la forza della pietra  
calcarea e la leggerezza di un velo che la svela.  
Ogni superficie racconta la matericità della natura con eleganza  
discreta, senza artifici, per un design che parla il linguaggio  
della solidità e della purezza.*

*Il suo tocco morbido e la sua texture naturale  
danno vita a spazi autentici, dove materia e design si  
fondono in un'armonia essenziale.*

Essential, authentic, tangible.  
Velaris is born from the encounter  
between the strength of limestone and  
the lightness of a veil that reveals it.  
Each surface tells the story of nature's  
raw materiality with understated  
elegance, free from excess—  
a design that speaks the language of  
solidity and purity.

Its soft touch and natural texture  
breathe life into authentic spaces,  
where material and design merge in  
perfect, essential harmony.

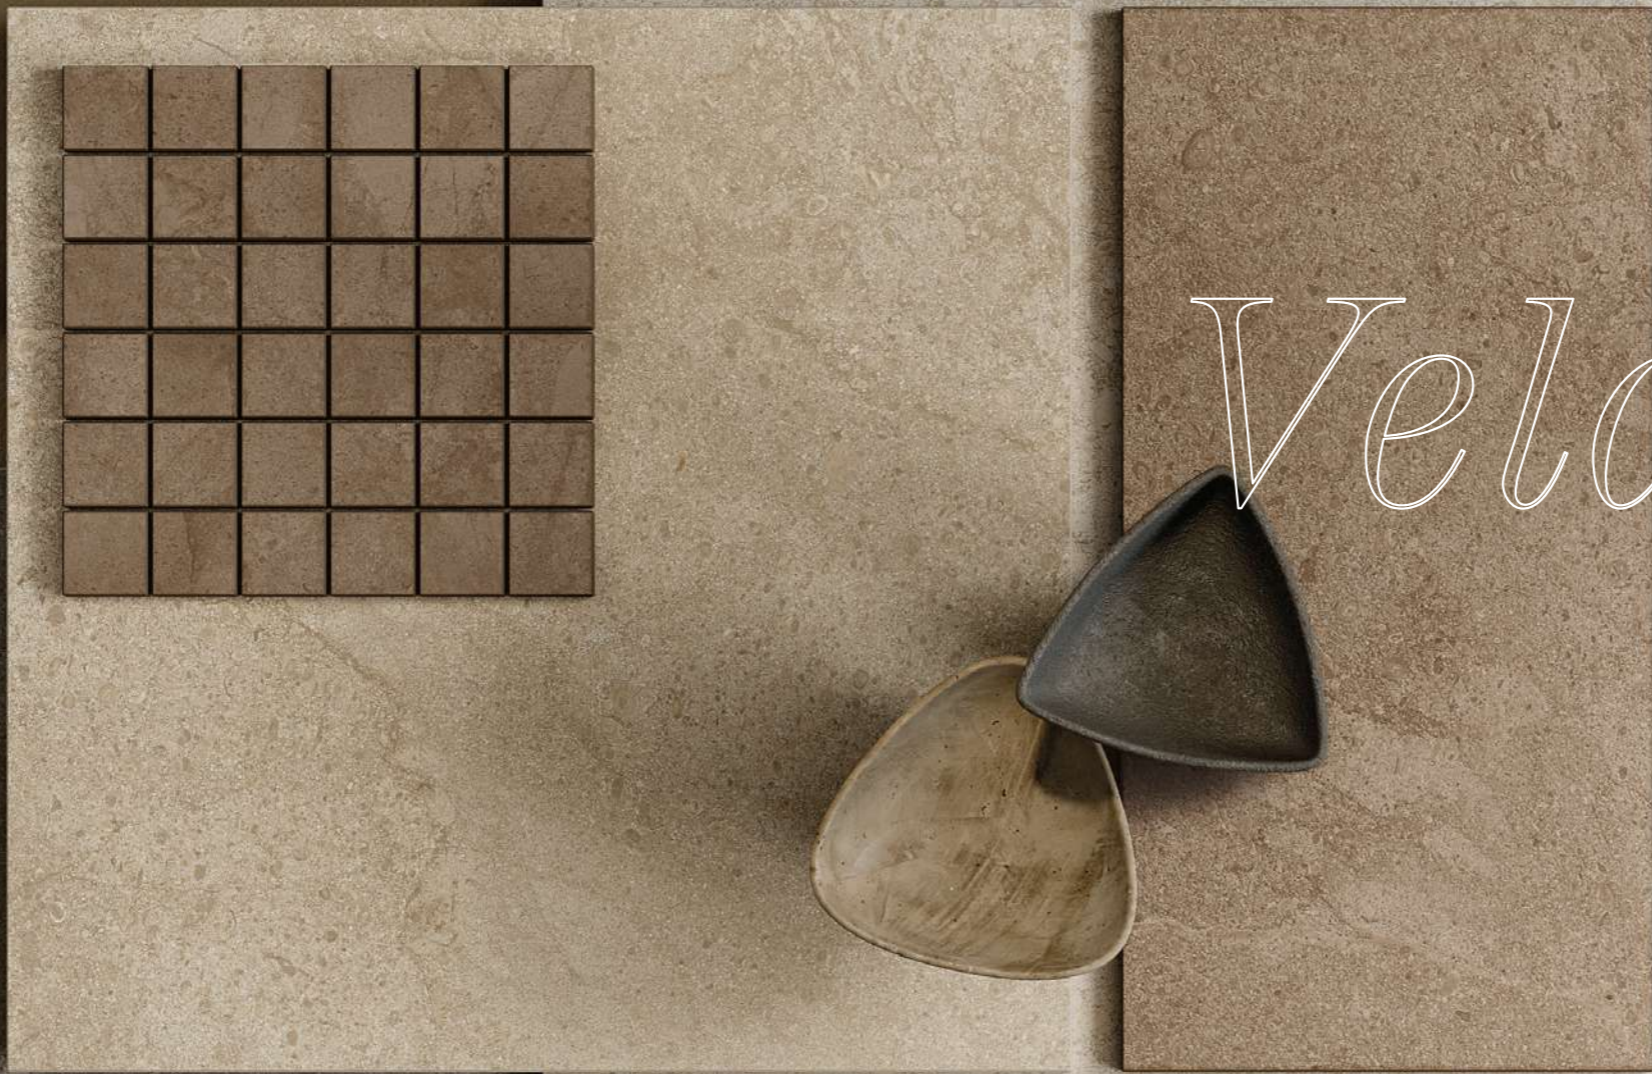

Essentielle, authentique, concrète.  
Velaris naît de la rencontre entre la  
force de la pierre calcaire et la légèreté  
d'un voile qui l'effleure et la révèle.  
Chaque surface exprime la matérialité  
de la nature avec une élégance  
discrète, sans artifice, pour un design  
qui parle le langage de la solidité et de  
la pureté.

Son toucher doux et sa texture naturelle  
donnent vie à des espaces sincères, où  
la matière et le design s'unissent dans  
une harmonie essentielle.

Essenziell, authentisch, konkret.  
Velaris entsteht aus der Begegnung  
zwischen der Stärke des Kalksteins und  
der Leichtigkeit eines Schleiers, der ihn  
enthüllt. Jede Oberfläche erzählt von  
der Materialität der Natur mit diskreter  
Eleganz, ohne künstliche Effekte,  
für ein Design, das die Sprache von  
Solidität und Reinheit spricht.

Seine sanfte Haptik und natürliche Textur  
erwecken authentische Räume zum  
Leben, in denen Material und Design in  
essenzieller Harmonie verschmelzen.

# 2 natural

An authentic and sensory  
aesthetic that invites touch and  
captivates the eye.

Une esthétique authentique et  
sensorielle qui invite au toucher et  
fascine le regard.

Eine authentische und sensorische  
Ästhetik, die zum Tasten einlädt und  
den Blick fasziniert.

*Due superfici naturali rivelano l'anima  
della collezione.*

*Nei grandi formati 120×280 e 120×120 cm, la  
finitura Materic Touch fonde cromie e materia  
in un disegno che sembra inciso nella superficie,  
come scolpito dalla natura, per un  
effetto realistico.*

*Nei formati 60×120 cm e inferiori, una finitura  
naturale dalla delicata struttura mossa  
restituisce una matericità genuina, espressa con  
sobria eleganza.*

Two natural surfaces reveal the soul  
of the collection. In the large  
formats 120×280 and 120×120 cm,  
the Materic Touch finish blends  
color and texture in a design that  
appears engraved into the surface,  
as if sculpted by nature, delivering a  
strikingly realistic effect. In the 60×120 cm format and smaller,  
a natural finish with a delicate,  
textured surface expresses a genuine  
material quality with understated  
elegance.

Deux surfaces naturelles révèlent  
l'âme de la collection. Dans les grands  
formats 120×280 et 120×120 cm, la  
finition Materic Touch fusionne les  
couleurs et la matière dans un dessin  
qui semble gravé dans la surface,  
comme sculpté par la nature, pour un  
effet étonnamment réaliste. Dans les  
formats 60×120 cm et inférieurs, une  
finition naturelle à la délicate texture  
ondulée restitue une matérialité  
authentique, exprimée avec une  
élégance sobre.

Zwei natürliche Oberflächen enthüllen  
die Seele der Kollektion. In den großen  
Formaten 120×280 und 120×120 cm  
vereint die Materic Touch-Oberfläche  
Farben und Materie in einem Design, das  
wie in die Oberfläche eingraviert scheint,  
als sei es von der Natur selbst gemeißelt,  
für einen überraschend realistischen  
Effekt. In den Formaten 60×120 cm  
und kleiner verleiht eine natürliche  
Oberfläche mit feiner, bewegter Struktur  
der Materie eine authentische Haptik, die  
sich in schlichter Eleganz ausdrückt.
