DECORATORI BASSANESI

# DECORATORI BASSANESI

**A collection of tiles that “speaks” to our human senses, as well as play with light and shadow, allowing for the tiles to change expression during the day, while maintaining a calm and well balanced universe. The tiles are offered with a striped, textured surface finish and a smoother one, creating combinations to be made that would resemble the ones you could find while strolling through the oldest parts of Copenhagen.**

DECORATORI BASSANESI C O P E N H A G E N NORM ARCHITECTS

FINISHES

❶ Natural
❷ Texture

**Norm Architects was founded in 2008. The studio works in the fields of industrial design, residential architecture, commercial interiors, photography and art direction. Situated in the heart of Copenhagen, Denmark, Norm Architects respect their context and build on the traditions of Scandinavian design and have helped to promote this approach worldwide in the last decade; an approach of timeless aesthetics, natural materials and upholding of Modernist principles concerning restraint and refinement that together helps to heighten the human senses and well-being.**
