GRAFFITI

THE ART OF IMPERFECTION

GRAFFITI is a collection of handmade glazed clay tiles where colour, texture and craftsmanship come together.

GRAFFITI è una collezione di piastrelle in terracotta smaltata realizzate a mano dove colore, materia e artigianalità si incontrano.

MADE BY HAND

Slight variations in color, texture and surfaxe are an intrinsic part of the handmade process. They are what gives GRAFFITI its distinctive character.

EVERY PIECE IS UNIQUE

Our Research

Our latest creations are the result of ongoing artistic exploration of formats, materials, colors, decorative techniques, and their endless combinations. This new collection embody our commitment to constantly push the boundaries of current tastes, striving to set new trends through unique, original, and one-of-a-kind products.

La nostra ricerca

Le nostre ultime creazioni sono il risultato di una continua ricerca artistica su formati, materiali, colori, tecniche decorative e le loro infinite combinazioni. Questa nuova collezione incarna il nostro impegno a superare costantemente i confini dei gusti attuali, cercando di dettare nuove tendenze attraverso prodotti unici, originali e irripetibili.

Intense-colored glazes combine with by-hand scratched engravings, each piece unique: the result is artistic, decorative tiles with a bold, edgy, and thoroughly contemporary style.

Smalti dai colori intensi si fondono con incisioni graffiate manualmente, rendendo ogni pezzo unico: il risultato sono piastrelle artistiche e decorative dallo stile audace, d'avanguardia e decisamente contemporaneo.
